

IRVINE *READY!*

Irvine/Orange County Gateway Package

We know that making the decision to expand your company into another country is a big decision.

We know that choosing where in that country to do business is an equally big decision. We want to make that decision easier.

We want you to consider being part of the 6th largest economy in the world - California. We want you to consider the strength and opportunities of Southern California. We want you to benefit from the strength and innovative spirit of our life science industry cluster.

We want you to consider Irvine/Orange County.

The Greater Irvine Chamber, in collaboration with an impressive network of public and private companies and organizations are ready to offer qualified life science companies a resource-rich package of decision-making incentives and transition benefits.

We want to make it easier for you to choose Irvine/Orange County as your gateway to success.
